

TOURIST TAX APPLICABLE

WHAT IS THE TOURIST TAX?

In accordance with the Council Resolution n. 56 of 28.11.2017 and the National Law Framework – D.lgs. 23/2011), starting 1st May 2018, Stintino is introducing a tourist tax.

The tax applies to all guests using accommodation services within municipal boundaries every year since 1st May until 31 October.

The tax will be charged upon visitors who are provided accommodation services (i.e. tourists or overnight visitors). It's not included in the price of the accommodation.

WHAT HAPPENS IF I REFUSE TO PAY IT?

A refusal to pay the tourist tax will be considered an offence against the abovementioned regulations and further action may be taken against the transgressor:

- the accommodation provider will invite the transgressor to fill in and sign a “declaration of refusal”
- if the transgressor refuses to fill in and sign the “declaration of refusal”, then the accommodation provider will complete it with all needed information.

The local police will verify the facts and a sanction will be applied to the transgressor.

EXCLUDED

No tourist tax is charged upon:

- Local residents
- Hotel/accommodation- owner (or provider), his/her family, his/her employees and all other resident staff members
- Children up to 14
- People aged over 70
- Any disabled person together with his/her companion
- School and university students taking accommodation for study-related purposes or for vocational training. They must show proof from their school/university that the accommodation is required for the over-mentioned purposes
- Police, armed forces, firefighters and civil protection officers taking accommodation for duty-related purposes.
- One coach driver, tourist guide or tourist group leader for every 20 group members
- People who are given accommodation at Local Council's expense
- Artists and guests of arts and cultural events hosted or funded by the Local Council
- Athletes taking part to training camps
- Housing assigned for social assistance (including civil protection, disaster assistance and humanitarian assistance)
- Business travelers who need to stay overnight for essential professional or business-related reasons. Business travelers must show legal proof that the accommodation is required for business purposes
- People who take more than four months continuously stay in a private home
